

HushMat®

Cool, Quiet, Comfortable

OEM-Approved Vibration Damping
And Thermal Insulation

ADHESION IS GUARANTEED

EXPERTS IN AUTOMOTIVE ACOUSTICS

HushMat specializes in reducing unwanted noise in your vehicle by eliminating structural vibration, reducing heat, road noise, engine noise, wind noise, engine exhaust, and radiant heat. You experience the quality sound and comfort of your automobile with HushMat.

Simple to install!

Product Line

We provide the industry's finest sound, vibration and thermal insulation control materials with easy to follow step-by-step installation instructions on every box.

Case: Six (6) Tubes 10.5 FL OZ EA. 40100

HushMat History

HushMat has evolved over several years of automotive history. The lessons learned during that time resulted in a product which is more refined, with maximized performance characteristics. The HushMat Ultra™ line of materials have been specified and used by North American Automotive Equipment Manufacturers (OEMs) for over 19 years. Vehicles produced by General Motors, Ford Motor Co., DaimlerChrysler, Mitsubishi, Toyota and Honda specify and use these materials. We are proud to offer the finest vibration damping, thermal insulation, tape and absorption technology available to the automotive aftermarket.

HushMat®

▶ HushMat® Benefits

HushMat Ultra™ is the installers choice!

- Eliminates road noise and vibration.
- Reduces heat up to 40%.
- Automotive OEM specified and approved!
- HushMat Ultra requires no pre-cleaning of the application surface.
- No more acetone or alcohol surface preparation.
- HushMat Ultra requires no heat guns or messy glue to apply.
- One-Step application with HushMat Ultra—simply Peel and Stick!
- Apply to door skin, door frame and door trim panel.
- Apply to trunk floor and trunk lid.
- Apply to floor from firewall to rear deck.
- Apply to Inside of roof skin.
- Proven to perform from -30° F to 400° F.

HushMat Silencer Megabond™ Thermal Insulating, Sound Absorbing Foam

- Provides thermal insulation: Proven to perform up to 300° F.
- Absorbs higher frequency (600-4000 Hz) airborne noise.
- Absorbs engine noise coming through the firewall.
- Absorbs wind noise behind trim panels and headliner.
- Absorbs road noise coming up through the floor.
- Absorbs exhaust noise coming through the trunk.
- Aggressive pressure sensitive adhesive for easy application.
- Apply directly on top of Ultra for the Ultimate in Sound Quality.

HushMat Quiet Tape™ Another installer-friendly innovation from HushMat!

- Secures wire harnesses and cables.
- Prevents nuisance rattles caused by loose wires and cables.
- Simply Peel and Stick, wrap the wire, or bridge over the top.
- Adhesion Is guaranteed.

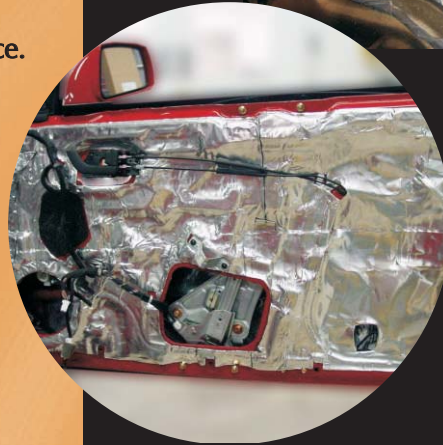

Ultra H2O™

Significantly better damping and sealing performance than spray or solvent-based materials.

- Non-solvent, water-based, and self adhesive.
- Paintable and sandable when cured.
- Air dries in 3 hours, maintains flexibility when cured.
- Seal seams on Street Rod/Hot Rod bodies.
- Great for damping difficult to reach areas of the vehicle (Inner door skin, rear quarter panel skin, under instrument panel.)
- Apply with standard caulking gun using the included nozzle adapter.

Make your doors—
slam sound solid!

HushMat Silencer Megabond™ Thermal Insulating, Sound Absorbing Foam

- Provides thermal insulation: Proven to perform up to 300° F.
- Absorbs higher frequency (600-4000 Hz) airborne noise.
- Absorbs engine noise coming through the firewall.
- Absorbs wind noise behind trim panels and headliner.
- Absorbs road noise coming up through the floor.
- Absorbs exhaust noise coming through the trunk.
- Aggressive pressure sensitive adhesive for easy application.
- Apply directly on top of Ultra for the Ultimate in Sound Quality.

Thermal Insulating! Absorbs
high frequency engine,
road and wind noise.

Eliminate the rattle
caused by loose wires.

Seam sealer for body panels,
enclosures, and hard-to-reach areas.

ADHESION IS GUARANTEED!

HushMat™

HushMat Ultra Kits

PACKAGING	DESCRIPTION	QUANTITY AND SIZE INCLUDED IN HUSHMAT KITS	APPLICATION	COST/MSRP
	10600 License Plate Kit Strip of HushMat Ultra and license plate frame with HushMat Silencer Foam	One (1) 4" x 12" 	Quiet noisy license plates & frames	\$10.95 MSRP
	30100 Tape Kit Six pre-cut strips of HushMat Quiet Tape	Six (6) 2" x 6" 	Secure wires and wiring harnesses and eliminate unwanted rattles	\$12.77 Jobber \$19.95 MSRP
	30200 Shop Roll Cut with scissors and apply	One(1) 1" x 30 Ft. Roll	Secure wires and harnesses and reduce fatigue and wear and tear of electrical system.	\$49.99 MSRP
	10150 or 10151 Starter Kit Four pre-cut squares of HushMat Ultra in black or silver	(4sqft) 4-12.1" x 12"  190% More Product	Outer & inner door skin for coaxial or component speakers	\$39.95 MSRP
	10200 or 10201 Door Kit Ten pre-cut squares of HushMat Ultra in black or silver	(10sqft) 10-12.1" x 12"  15% More Product	Complete outer & inner door skin for coaxial or component speakers	\$99.95 MSRP
	10300 or 10301 Trunk Kit Ten pre-cut rectangles of HushMat Ultra in black or silver	(19.1 sq ft) 10-12.1" x 23" 	Compact - Trunk floor, spare tire well, rear quarter panels, rear deck of a compact vehicle	\$139.95 MSRP
	10330 or 10331 SUV Trunk Kit Sixteen pre-cut rectangles of HushMat Ultra in black or silver	(31 sq ft) 16-12.1" x 23" 	SUV/Wagon - Trunk floor, spare tire well, rear quarter panels, rear deck of a compact vehicle	\$229.95MSRP
	10400 or 10401 Floor/Dash Kit Twenty pre-cut rectangles of HushMat Ultra in black or silver	(39sqft) 20-12.1" x 23"  50% More Product	Front of the dash panel, driver front and rear floor, passenger front and rear floor and tunnel.	\$249.95 MSRP
	10500 or 10501 Bulk Kit Thirty pre-cut rectangles of HushMat Ultra in black or silver	(58.7sqft) 30-12.1" x 23"  61% More Product	A Bulk Kit is enough to treat an entire mid-size or smaller vehicle. Utilize a Bulk Kit to supplement the other kits above	\$399.99 MSRP

HushMat™

Ultra H-2-0

WHAT IT IS

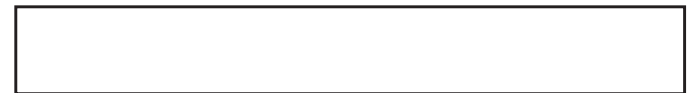

- Water based air dry sealing/damping paste
- Available in 1/10th gallon caulk tube or 5 gallon pail
- Cures to the touch in 1 hour
- Sandable & paintable in 3 hours

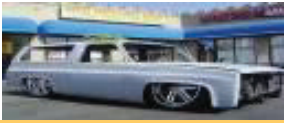

WHAT IS THE BENEFIT

- Seal body panels & enclosures
- Damping hard to reach areas
- Allows adhesion to sheet metal, wood, fiberglass
- Remains flexible when cured
- No expensive tools or ventilation required

1/10th Gal. Tube

\$29.99 MSRP

HushMat™

HushMat Ultra

WHAT IT IS

- 1.5mm (1/8") self adhesive flexible butyl rubber sheet
- Treats structural vibration in the car (0-1000Hz)
- Available in 8 vehicle kits
- Reduces thermal transfer over 18-27 degrees F
- Rated up to 400 degrees F

HushMat Ultra acts to convert vibration energy into heat that is absorbed by the Butyl rubber

Any transmission through the Butyl rubber will be reflected back by the aluminum foil layer

WHAT IS THE BENEFIT

- Half the install time
- No special tools or glue
- No surface prep
- No heat guns
- No odor
- No more cut hands
- More material per square foot means better performance
- More flexible than competition for better contouring
- Superior performance from -30 to 450 degrees F
- Adhesion is guaranteed!
- Product is Universal to all vehicles

HushMat Ultra outperforms the closest competitor by over 40% combined in conformability, weight and damping as proven by a certified automotive test Laboratory!
