

"Are You Smart?"

Caseta
by **LUTRON**

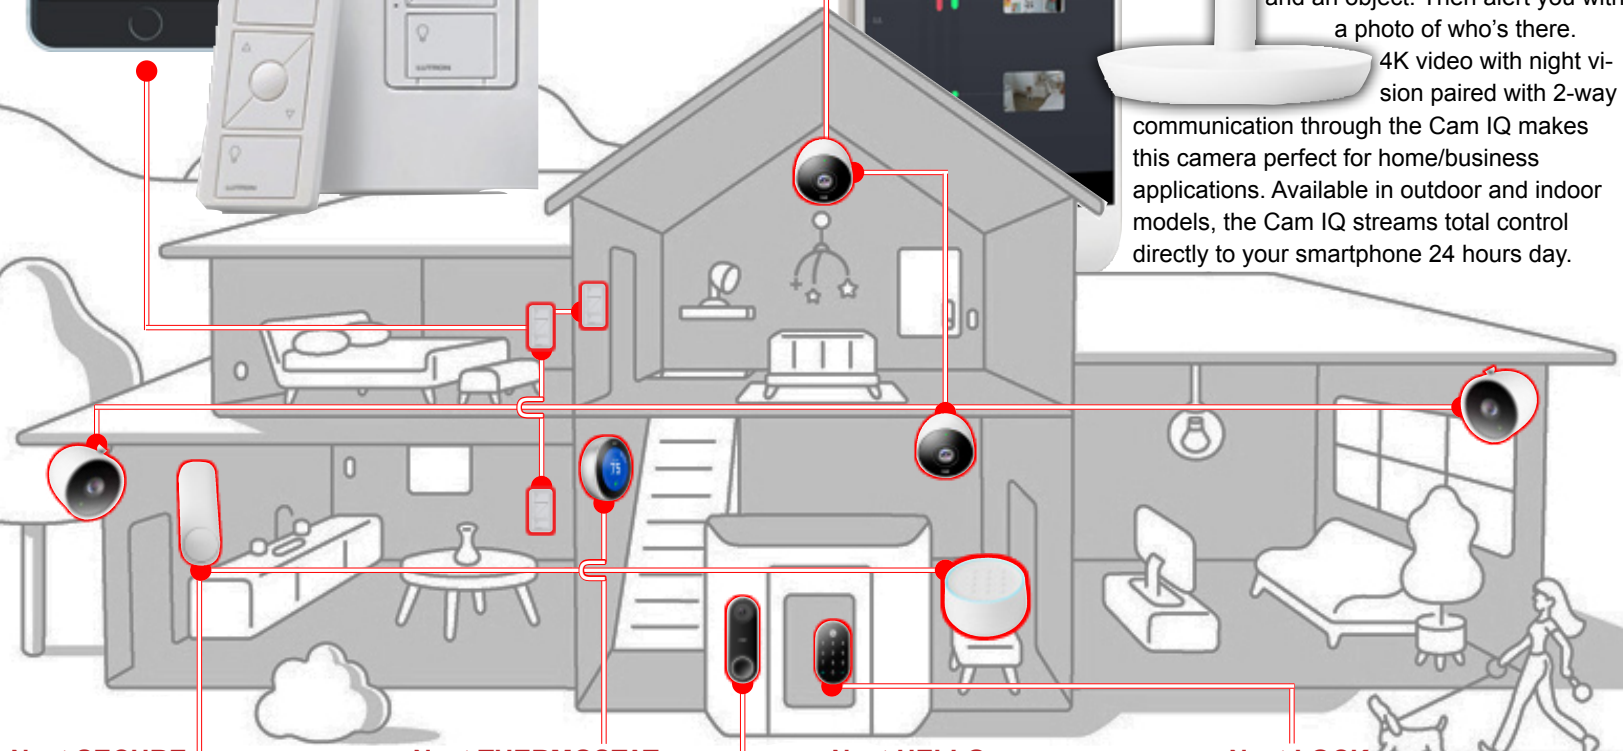

- Ultimate smart lighting control system
- Use with Alexa, Siri & Google Assistant

- WORKS WITH amazon alexa
- works with the Google Assistant
- Works with Apple HomeKit

Nest Cam IQ indoor and outdoor cameras can detect the difference between a person and an object. Then alert you with a photo of who's there. 4K video with night vision paired with 2-way communication through the Cam IQ makes this camera perfect for home/business applications. Available in outdoor and indoor models, the Cam IQ streams total control directly to your smartphone 24 hours day.

Nest SECURE

- **Nest Guard** is the Alarm, keypad, motion sensor and the brains of the system
- **Nest Detect** is a door & window sensor that also sees motion in the room
- **Nest Tag** is the easiest arm & disarm method
- **Nest App** is a hub that can see it all

Nest THERMOSTAT

A WiFi self-learning thermostat programs itself so you can save money on your energy bill. Easily replaces most existing thermostats in minutes. Stay in complete control of your entire heating/cooling system with your smartphone, from anywhere in the world.

Nest HELLO

- High Definition Video Resolution
- 160° Field Of View
- 2-Way Communication
- Prerecorded Messages
- 24/7 Video Streaming
- Person Alerts
- Built in HDR
- Night Vision
- Quiet Time

Nest LOCK

Delivers a tamper-proof, key-free deadbolt lock that connects to the Nest app via your smartphone or computer. Lock and unlock your door from anywhere. Give guests a temporary passcode, instead of a key. You can also use one-touch locking, or unlock from the Nest app. Stay aware of the status of the door by using your voice with Google Assistant.
